**DON CAGWIN** Purebred Herd Management and Cattle Listing Service

632 South Main Street • Virginia, Illinois 62691

Dear Shorthorn and Polled Shorthorn Breeders:

We have made a great effort to collect from throughout the United States, and outstanding consignment of cattle. We have represented in this consignment some of the Nation's leading show cattle . . . we have the Nation's leading sires represented . . . and I am certain have herd bulls and foundation females that we will read about in the future.

It has been a great pleasure working with the consignors to this sale. They have been a very enthusiastic group who have dug into the very hearts of their herds for their consignments in their efforts to make the Ohio National one of the Nation's leading sources of seed stock.

I would like to especially thank the Ohio Department of Agriculture. Through their generous donation, it is possible for us to award the \$10,000 in prize money that the cattle will be competing for.

Looking forward to seeing all of you on Friday evening at the Ramada Inn, and also Saturday morning at the Show and Saturday afternoon at the Sale.

Cordially,

*Don Cagwin*

**KENMAR LEADER 13B - WILT THE STILT - 2/3 INTEREST AND  
POSSESSION SELLS.**

Here is the biggest and most talked about bull of the 72-73 show season. A bull that has been used extensively at Bob-Lee in the fall of '72 being mated naturally to 40 cows. This is a rare opportunity to purchase what is considered by many to be the top bull offered at auction this year. "Wilt" has a deep polled pedigree with strength that speaks for itself.

**JARHIAN RAIDER** — is a long, tall well-muscled bull. He had a 2.8 pound ADG. on official test. His yearling weight was 986 pounds. A half brother was champion at the Wisconsin State Fair and another half brother was champion at the Michigan State Show. This is another great son of the tremendous Shadybrook Mate 67th.

**WHY BUY SHORTHORNS?**

- ★ Shorthorn bulls are active, sure breeders.
- ★ They put more growth into their calf crops.
- ★ Shorthorns are historically known for their faster gaining and finishing ability. The demand for Shorthorn and Shorthorn cross-bred feeders far exceeds existing supplies. Consequently, they sell for a premium.
- ★ Shorthorn bulls put more milking ability into their daughters . . . this means heavier weaning weights.
- ★ Shorthorn docility is world famous, making them ideal projects for youngsters.
- ★ Shorthorns eliminate the cancer eye, sunburned and snowburned udder problems.
- ★ Shorthorns are known as "THE GREAT IMPROVERS," Shorthorn crosses have been proven in test after test to be superior to other crossbreds in milking ability, rate of gain and feed efficiency.
- ★ Ask yourself why so many commercial herds are now cross-breeding with Shorthorns? IT'S BECAUSE THEY ARE BEST IN EVERY WEIGH.

EL JODALYN'S PATTERN — Here is El Jodalyn's Pattern, the most outstanding individual we have ever offered at public auction! Modern with muscle, length, elevation, breed character and structural correctness. Won his class at the Ohio Futurity Show, stood sixth out of a class of 49 at the National Show held in Springfield, Ill., and placed fifth in a strong class at Chicago, International. His sire was top gaining bull at Stanford, Montana Test Station in 1969 and sired the third top selling bull in last year's Polled Congress. Performance data: adj. 205 day wt 560 lb., grade 15, calf index 118. 205 day wt ratio 122, adj. yr. wt. 964 lbs. ADG. on 112 day test 2.63 lbs. day Scanogram fat cover reading .3 inch. IF YOU ARE LOOKING FOR A BULL TO PUT YOU ON THE RIGHT TRACK TODAY, HERE HE IS.

JAF ROYAL PRIDE — is the best bull we have ever bred. He is very correct with great bone and sound feet and legs. A very well muscled, growthy bull. His half brother was Grand Champion and top selling bull at the Michigan State Futurity Sale last fall. He had a 205 day actual weight of 589 pounds and a 365 day weight of 1045 pounds. His yearling grade was 15 $\frac{1}{2}$ . We recommend this bull to anyone.

GREENLAND EMPIRE — Is a bull from our show string that is going to make a herd bull with deep polled ancestry. He had a 240 day weight of 675 pounds and a 400 day weight of 1095 pounds with a grade of 14. This calf is by "Jack the Giant" who is a 100% dehorner and out of one of the biggest polled cows we own.

**MAPLELAWN CHIEF METEOR X — A very clean, large useful bull.**  
 You will be impressed with his correctness, length, and muscle. He is typical of the quality of offspring of Tynywtra's Meteor 29th x, so you can see why most of his daughters are remaining in the herd. All of these factors ear him the right to stand fifth at the 1972 International. Keep in mind that his dam also produced a second place female at that same show.

**OAKHILL PRINCE BOB x** — is one of the first sons of the popular champion of the 1971 Buckeye Expo, Lakeside Star Prince x. His dam is a member of our oldest and most respected cow family. This is a young calf that has been on a fitting ration only these past 60 days, but if you study his pedigree and the calf, we believe you will find much to recommend him.

ZEIGLER S CAVALIER x — This is indeed a splendid opportunity to become the owner of a son of the great Australian sire Dandaloo Royal Duke x. Duke is a massive 2600 pound bull that has been recognized in Australia as one of the great bulls of any breed. As you will see, Cavalier has unending potential and could well become one of the outstanding show bulls for this coming year.

GREEN RIDGE BESSIE LOU — This outstanding daughter of Leader 21st x was first place Land of Lincoln spring yearling at this year's National Shorthorn Show. This heifer sells bred to a bull considered by many to be the greatest Shorthorn bull in North America, "Massive Major x". Major is the spectacular 2600 pound herd sire for R. J. Draper and Sons, Elgin, Manitoba, Canada. Those who have not seen him, or any of his calves, are neglecting their profession. The potential of the offspring of a mating such as this could make this one of the truly great offerings given in any sale in recent times.

Roan, Ralph C. Cross

OAK HILL SNOWBELLE 71st x — this tremendous daughter of "Big Gene" is possibly the best heifer calf we raised in 1971. She was many times champion or reserve champion. Some of these shows include Minnesota, Iowa State Fair, Sioux Falls, Clay County, Spencer and the Waterloo Meat Animal Show. She is out of a cow that we feel is one of the best cows in the breed and weighed 1640 pounds this spring after a tough winter.

INNESS ELIZA x — is a strong young daughter of King, who goes back to Scotsdale Muscateer, a bull known for his ability to sire good sized cattle.

## THE WAY TO BETTER BEEF

A recent study of 307 steers and heifers, exhibited at the Nebraska State Fair and slaughtered, indicated an overwhelming grade advantage for Shorthorns. Look at the figures:

Breed	Percent that graded low choice or better
Shorthorn .....	95 percent
Angus .....	82 percent
Crossbreds .....	63 percent
Herefords .....	48 percent

The surest way of assuring that your cattle will produce choice carcasses is through the use of Shorthorn and Polled Shorthorn bulls.

## A GROWTH STOCK

Shorthorn and Polled Shorthorn cows are a growth stock: In financing parlance this means a sound investment that is assured of increasing in value.

The future of all beef cattle looks bright. The growing population in America and a growing per capita beef consumption makes investment in cow-calf programs mighty attractive.

The Shorthorn-Polled Shorthorn future looks especially bright. That is because the breed has more to offer the beef world than any other breed.

There are breeds more highly glamourized . . . there are breeds with more inflated values but no breed is more universally recognized for its improvement ability than the Red, White and Roan. Nearly every large, exotic breed in the world owes much of its parentage to Shorthorns. If you really think about that fact alone, you should have a greater appreciation for Shorthorns.

No breed has more genetic purity than Shorthorns. The breed has no problem with dwarfism, cancer eye, prolapses, sunburned udders. No beef breed is so enriched with milking ability, with docility, with gaining ability.

We could go on and on about Shorthorn superiority and their higher profit potential. If you own Shorthorns, you know their dependable productive ability. If you don't own Shorthorns, it is high time you did. The females offered in this sale can do much to cement your faith in our breed.

# General Information

**TERMS AND CONDITIONS** — Terms of the sale are cash, payable to the clerk immediately following the sale. All cattle sell under the standard guarantee recommended by the American Shorthorn Association.

**INSURANCE** — Will be available sale day at the clerk's desk. Insurance will be handled by Harding & Harding, Geneva, Illinois.

**ANNOUNCEMENTS** — Announcements from the block take precedence over printed material in this catalog.

**HEALTH** — Health certificates will be provided with each lot sold.

**LIABILITY** — All persons who attend the sale do so at their own risk. The owners, sale manager, the Ohio Shorthorn and Polled Shorthorn Breeders Association, ringmen or clerks assume no responsibility, legal or otherwise, for any accidents which may occur.

**REGISTRATIONS AND TRANSFERS** — All animals sell with completed pedigree in the hands of the sale management or the American Shorthorn Association for immediate transfer to the new owner.

**MAIL BIDS** — We hope it will be possible to attend. If you can not, mail or telephone your bids to the sale manager, the auctioneer, or any of the representatives listed on the previous page.
